

***"June is a love song written by nature." - Patience Strong***

*June is blooming with newness and beauty in every corner. It's the perfect time to allow yourself to indulge in nature and its gorgeous hues. Being outside is by far the easiest way to find some grounding within yourself. The simplest of tasks in the grass and gardens can create a connection with nature that will organically raise your vibrations.*

***June 8 is Kicking off the Summer Event in Perth***

*I will be at Ever After Bridal doing Forever Bracelets from 11-1 then will be at the Lotus Wings Tent at Stewart Park from 2-4*

***Find Your Inner Divinity Series***

*#3 Music Meditation Healing Sesh*

***June 25, 6-8 pm***

*Explore the beauty of meditation and healing through music. Connect with your inner self, a place of unlimited potential, and combine two powerful tools to raise your vibrations. Let the music lead you into relaxation and awareness, taking the first step toward inner peace.*
