CONSCIOUS CHANNEL. MEDIUM. HEALER

Hello lovely souls,

As we move into April, there is a sense of renewal, reflection, and quiet spiritual unfolding in the air. This month asks us to trust what is shifting, honour where we are, and stay open to the wisdom unfolding within us.

I pulled a 2-card oracle draw for this month.

Take a moment.

Breathe.

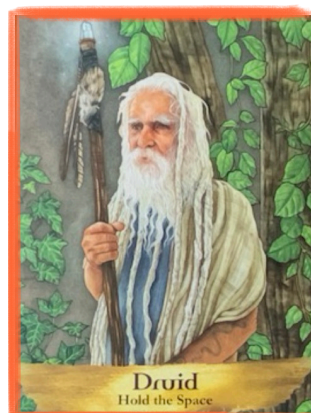

Notice which card you are most drawn to.

Trust your first instinct.

Card One

Card Two

If you chose Card One

Spirit Fox – Trust your talents in changing times

Well I don't think we could have picked a better card for the energies of 2026.

Energies around you are changing at this time. And just like the fox who avoided being captured, you have all you need to survive this shift. You are being invited to explore new opportunities you have never encountered before.

It may feel uncomfortable at first, but this experience will allow your talents to shine. Call upon the spirit fox medicine to see who you are and trust in your talents to be the best you can be.

If you chose Card Two

Druid – Hold the Space

Hold things together — stand strong, knowing you are where you are supposed to be.

Dig deep within and hold your station. If you are in a situation where you are wondering what to do next, go within and move back to a state of trust. Trust the process and let everything happen as it needs to before taking any further steps. Grow where you are.

If you are feeling the nudge to connect more deeply to your intuition, healing, and spiritual growth, I invite you to visit the website and browse the online workshops now available on a variety of spiritual topics.

Each one is drop-in and just \$15.00, making it easy to join what calls to you.

I am also in Perth every Friday for appointments, offering:

IET

Psychic Medium Readings

Akashic Record Readings

These sessions are a beautiful way to receive support, clarity, and deeper connection on your path.
